Toronto's Two Famous Hotels

THE WALKER HOUSE — **"The House of Plenty"**

HOTEL CARLS-RITE — **"The House of Comfort"**

We are in the business of selling comfort and service to those who, for a modest price, are satisfied to accept Old-Time Hospitality, without frills, but with the attention necessary to make everyone comfortable.

We have been doing business with the parents of many hundreds of our young men and women, who have attended the educational institutions of our city, in that great search for knowledge that is necessary if we want to take our place on the topmost rungs of the ladder in the service of this Great Canada of Ours.

We are now appealing to the sons and daughters of those citizens who have made this Canada what it is.

While there has been a slight change in the price of the meals supplied at the Walker House and the Hotel Carls-Rite, the dining-rooms of both of these Hotels stand in the front rank in the Dominion of Canada, for cleanliness, service, and value for the price charged. Our Noon and Evening Dinner at the Walker House and Hotel Carls-Rite is $1.00. Why not have your Sunday Dinner with us after leaving church in the morning, or before going to church in the evening?

The Walker House Cafeteria is open at all hours, day and night, where we pay particular attention to Cleanliness, Pure Food, at Reasonable Prices.

Our other departments, such as the Barber Shop and News-stand, are prepared to give our patrons at all times only first-class service—service that has made the Walker House and Hotel Carls-Rite famous amongst reasonable-priced hotels in the Dominion of Canada.

Thanking you for past patronage and hoping to be favored with your patronage during this school season.

Particular attention paid to the comfort of Ladies and Children travelling alone.

GEO. WRIGHT and E. M. CARROLL,
Proprietors.

FELLOW STUDENTS

If it were not for our advertisers our Council fees every year would be more than doubled, or we could not receive free of charge the Varsity, the Directory, and Torontonensis.

Remember, many are called upon, but few subscribe. Only those advertisements which appear represent those firms which have an interest in Varsity students.

Let us show our appreciation of what they have done for us by patronizing them, and say to them, "I saw your ad. in the STUDENTS' DIRECTORY."
